LIABILITY WAIVER

As a condition of my child being allowed to participate in planned activities, I hereby release and discharge the Diocese of Orange, its constituent organizations, including but not limited to the Roman Catholic Bishop of Orange, a Corporation Sole, and their officers, employees and volunteers from any and all claims for personal injuries or property damage that they may suffer as a result of their participation, whether or not such injuries or damages are caused by the negligence, active or passive, of any of the entities.

I agree that in the event my child is injured while participating in any planned activity which takes place on church property, whether or not caused by the negligence, active or passive of the parish by any of its agents, any recourse for payment of any resulting hospital, medical, dental treatment or related costs and expenses will be first had against any available benefit or insurance plan of mine or my spouse.

I agree to drop off and pick up my child on time and will **inform my child's catechist in the case of absence**, arriving late or leaving early. Again, I understand that all students in the Sacrament preparation classes are allowed up to three absences.

I also authorize the making of periodic photographs and/or videos taken during Faith Formation events to be displayed on flyers, posters, bulletins, or to update the parish webpage—for the sake of evangelization—so many will come to experience the living Spirit of God.

I understand that all children are required by the Diocese of Orange in accordance with the United States Conference of Catholic Bishops to receive Safe Environment Training and acknowledge to you that this training has been offered to my child (ren). General information may be obtained at <https://www.rcbo.org/ministry/child-youth-protection>.

I understand that the goal of the Safe Environment Curriculum is not sex education but personal safety, which includes information regarding improper touching, relationships, and how to deal with uncomfortable situations. In addition, I understand that the Safe Environment Curriculum clearly emphasizes to children and youth the need to report such incidents to parents, teachers, or to others in authority. (The option to opt-out and train your child (ren) is available at your request and we will send you the Safe Environment Curriculum materials and form to complete the training by January 2025)
